

PENDING IDRS ISSUES			
ISSUE	REPORTED	EST COMP	STATUS
Print Preview in Local Acceptance Queue	9/17/2010		Waiting for response to estimate from vendor - followed up again 1/27/11
Notice of Rejection from LHD to FD	9/17/2010		Waiting for response to estimate from vendor - followed up again 1/27/11
Notice to MOs to include Cremation Notice	9/17/2010		Waiting for response to estimate from vendor - followed up again 1/27/11
Capability of FD to print death abstract file copy	9/17/2010		Waiting for response to estimate from vendor - followed up again 1/27/11
Change automatic LFN to free-form text field	9/17/2010		Waiting for Estimate
Fix Thick Client screen colors	9/17/2010		no cost and will be included with the above changes
Industrial and Occupational Coding	9/17/2010		on hold for more information
Change caption on FD Death Extract dialog from "Extracted on or before date" to "Extracted on date"	11/9/2010	In Test	Included in current release now in test (1/26/2011).
FD can designate a participating MO AFTER the record is dropped to paper. The record will never appear in the LHD queue and must be deleted and restarted by the FD	11/15/2010	In Test	1/26/2011 - This may be fixed in release now in test.
DTP - limit list of MOs to participating only in thin client	12/7/2010		Awaiting estimate
Records not appearing in LHD medical or demographic amendment queues	12/7/2010	In Test	Now in test (1/26/2011) Since this is a sporadic problem, the issue may still not be resolved.
Revised NCHS file layouts	12/10/2010		In negotiations with vendor
PA: 3 text alignment/spacing errors	12/22/2010	In Test	Now in test (1/26/2011)

PA: Caption for the child's name on the input form says "Child's Current Legal Name." It should actually be the child's name as it should appear on the birth certificate.	12/22/2010	In Test	Now in test (1/26/2011)
PA: Child's current legal name is printing the suffix of the child's birth certificate name. Should not include a suffix	12/27/2010	In Test	Now in test (1/26/2011)
Building Number fields will not accept 1/2	1/12/2011	In Test	Now in test (1/26/2011) - system will allow "/" in the field.
Facts of Death Verification (Thin Client): The printed form does not include the mother's current last name or occupation or type of industry.	1/18/2011	In Test	Now in test (1/26/2011)
Cause of Death Pending checkbox in Death Medical: when checked, the cause of death literals (textboxes) should be locked, and when there is text in the textboxes the checkbox should be locked. In short, the two input types should be mutually exclusive.	1/24/2011	This may be fixed in test.	
When there is more than one town with the same name in different counties, the user has no way of selecting the correct one for the informant's location or the cemetery location.	1/26/2011		

Two people at the same LHD can accept the same record, resulting in the first local file number being overwritten by the second.			Discovered 1/27/2011 - Vendor not yet notified.
Make sure all local health departments with the word "Department" in the location name are set to display-in-list		DONE	This should fix the problem of the health officer name not printing on line 48.
Testing should take approx 2 weeks from 1/27/11			
New Video for Physicians on website within next week - Completing a Death Certificate in 10 minutes or less!
